# MPN Awareness Day Webinar

## 10 September 12pm (AEST)

MPN Awareness Day encourages those living with MPNs to use their voice to inspire others and exchange information.

The Leukaemia Foundation and MPN Alliance Australia are proud to bring you a free, live webinar featuring MPN experts and people with lived MPN experience.

### Presenters

**Prof Andrew Perkins** from Monash University

*How diagnosis and treatment is progressing and emerging therapies.*

**Prof Wendy Erber** from University of Western Australia

*Why do Myeloproliferative Neoplasms Progress to Fibrosis?*

**Prof Peter Baade** from Cancer Council Queensland.

*How the burden of MPN in Australia varies by where people live.*

**Helen Williams** from Sydney.

*Helen is newly diagnosed with PV and will be discussing her experience from a patient perspective.*

There will be opportunities to ask each of the speakers questions in this interactive webinar.

Please register to ensure you receive notifications about the event at [www.leukaemia.org.au/events](http://www.leukaemia.org.au/events)

## HEALING MEDITATION WITH ASHER PACKMAN

In these challenging times meditation can be an excellent tool to help improve well-being. A very experienced meditation teacher, Asher has kindly made a guided meditation available on the MPN Alliance Australia website for MPN patients and their families. [Use this link](#)

The MPN AA shares the concerns of MPN patients about the impact of COVID-19 on our physical and mental wellbeing. We hope that you are managing as well as you can be during these difficult circumstances. In order to provide patients and carers with some quality information relating to COVID-19, we have put together a page of links to trusted sources on our website.
