* This list includes haematologists who are known to have experience with, or an interest in, myeloproliferative neoplasms (MPNs). It is compiled from publicly available information.

Inclusion on this list is not an endorsement by MPN AA, nor does it indicate any formal relationship with MPN AA. MPN AA strongly encourage patients and carers to carry out their own due diligence when choosing a clinician, including seeking independent medical advice and confirming a doctor's current scope of practice.

If you know of a haematologist with MPN expertise who is not listed, you are welcome to send MPN AA their details for review and consideration in adding them.

If you are a clinician and prefer not to be included, please contact MPN AA and we will remove your name promptly.
